A FORMER BUSINESS MAN VISITS HOME

Mr. J. C. Blake, a former business man of this city, dropped in to see his family and mingle with friends Sunday. Mr. Blake reports prosperous times in the north but very cold weather. He left Monday morning, 1917 at Providence Baptist Church, Chicago, Ill. She joined that church of which she remained a member for about nine months and then she transferred her membership to Quinn Chapel A. M. E. Church, of which church her husband belongs.

She was a devoted and conscientious Christian up until death, and she was also an excellent church and Sunday school worker, and at one time a member of Quinn choir, but on the account of her increasing family she had to give up the choir.

She had a sweet and loving disposition, and to know her was to love her. She was devoted to her husband and children, and also to her aunt, and she was kind to every one. She moved to Murfreesboro in Oct. practically a stranger, even to her relatives, but after finding out that she was here gathered around her and soon knew that she was at home with her kin and friends.

Her immediate family wishes to express their heartfelt thanks and ask God's choicest blessings upon her kin and friends who stood by her and helped them in their time of trouble. Especially we wish to thank her Aunt, Mrs. Marie Elliot, and family, and Mrs. Sarah Hicks and her cousin, Madame Narcissa Davis, Rebecca Sparrow, Silva Jackson, daughter and son-in-law.

Murfreesboro, Tenn., Dec. 18, 1917.

Rev. McDowell formerly resided in Windsor, Canada during which time he and Dr. Brady were intimately acquainted. Dr. Brady visited a number of places of interest in the city and was well pleased with the splendid progress made by the citizens.

He was entertained by a number of Baptists of this city. He made a special visit to the National Baptist Publishing Board's plant, an institution he has known for some time. He and the late Dr. Wm. Beckham were friends of many years' standing. Dr. Brady is the pastor of the Second Baptist Church in Detroit, a charge he has held for seven years. Prior to this he pastored seven years in Windsor, Canada.

After a visit to the National Baptist Publishing Board's plant he said, "I have just ordered 100 copies of the Jubilee song books to distribute among the members of my congregation. It is a splendid book and I feel that it can help wonderfully in the distribution of this publication."

REPEATS APPEAL FOR BRADLEY LIBRARY.

Let us keep faithfully to the task we have before us, (viz) "To establish and enlarge the Library of Bradley." This is our special concern to us. We are badly in need of a set of reference books for our library. With all the latest methods, plans and current events up to date. We are living in an age where everything is undergoing a change, a time when a school with bare walls, with a few desks and black boards are not sufficient, but reference books, magazines and daily papers for collateral reading now are among the many things that the youth is calling for in order that they may not be inferior in conversation and in thoughts to with whom they come in contact.

No one will doubt that every school should be provided with suitable tools for its work. These consist of maps, charts for the primary reading class, common weights and measures, globes, etc. Then every school should have a library of carefully selected books consisting of a good dictionary and a set of reference books so arranged that even the least pupil about the 2nd or 3rd grade can easily and readily find what they want and that they may understand what they read.

JUST A SMALL DONATION.
 Just a small donation from every friend of Bradley will supply it with all the good books needed for any library and one that will be a credit to any school.

Just a small donation from each teacher on the faculty will put a bank in the hands of each pupil that will set a message of comfort and cheer that will cause them some day to call them blessed.

Just a small donation from each pastor will add another to our list of choice volumes and one and one make two.

Just a small donation from each colored business and professional man in our town would help some other person to make up their minds to help. So your influence has helped us wonderfully.

Just a small donation from each pupil will result in united benefit and future good for the library.
